Boots by the court

When Marin Golf and for value parties. Marin Sentes does put down, Sentened with preside touches like power-upo for video velleying, Served up by Nirsendo and Carados, and terturing courts, Mario Tennis for the NGs keeps the the developers behind Mano's ferway form, Mario Tenna is excitement impredictable and the pro moves accessible. But the perfect party same, round to go with referebest four- just because history a power amonh can be sample doesn't abover action that blanes back and forth at a pace that would incen the game's which who romer of Mushroom Ringdom over any line radge a case of subsplach, Fest amon ands, the players is filled with pushowing. The bell's in your court,

WAXX TO PLAY

At He money the uncoming Zelds, Banko and Pokisson securis were on display but that didn't stop Mano Tennas from drawing the big crowds. The game's four-player doubles much record to be a grand days, and it's a prest try for anyone with more than one Controller And even if you're alone, Mario Tennis can be your perfect match.

FIND= CAY FIND?

There's no warring for your turn or manager wondering where your rival is on the only screen. The four-pleaser match in Mario Trante is one of the few Nos. multiplayer modes in which all four concentures are constantly intersecting on the same screen Team-

your bounds.

work is key, since players Stort pair up. Cover your pestner's back and know

STREAL WATERS

Marro Tennis puts new seites on the sport, including a Seven-Point Tiebreaker somano. In addition to the special matches detailed below, the same features Demo Mode, a matchage of your own design played entirely by CPU players of your choosing. While it's intended for your sewing pleasure, it's a good mode for observing the tactics of your rivals.

In Tournament Mode, you'll work your way up an eight competitive indice to win prophers like the Mushroom Curr and Flower Cup. Each matchup consists of a set of two games, and by winning these matchane, you'll score the cars, if you lose a ser, there's always the remarch.

nimers whe'll duel with CPU risult alsoing No. ther's perced for Weehledon, Marin Tennis, like its course, Mario Golf, offers plenty to unlock, so keep the ball in play. Maybe you'll

TEXTURE FROM S the management of the the development at Carnelot were this to make Mario Tentrio a troupouth came, but the har shocker as how quickly they were able to create the grand-slammin' smasher. In an interview with Camelot's President, Harovaka Takabashe and Vice Proudent, Sturp Takahashi, the two talk about the gene's quick

development, the creation of Wakerer and who Warm doesn't have a golfmend.

Nintendo Powertillo probei ver vire oble to expedite a new Many sports owns within a war of

fundame Marin Galf. Hose were you able to do at? Hiroyuki Takahashi: (Leaghing) We're not sure how! One thought is that our development other corresponds work, but at Camelot, we see there? enang to build new things on top of the know-how

- we've already established. We don't try to make huge NP: They that mean war're not traine to set profe
- O HT: Remember that we had mentioned that we wanted to produce an RPG game.
- (NP: Yest Wive been writing for that How is
- Syugo Takahashi: (Luching) We were crysne to spart it.

HT: We were weeking on building the bance for an RPG on NGa. When the Dolphin project was provided. I smered to think, "What would be the most fon NGs users could have in a hardware constition period?" Then we started developing a tennis game for the Noa. And when Game Boy Advance was revealed, we thought, "Um , that's another soute we could take." (Loughs) When new hardware is about to be leanched, we usually try to trobe on action game surber than a releaskeeing-type of came. Asswers, we programmed our software development linear based on the hardware release schedule, and we decided that tenns would be best for the Nos. And the development period wouldn't be long for that type

NP: Did you plan to use Marso from the beginning? ST: Yes, but I wanted to get permusion first. I thought we needed to develop the idea and Nintendo would say, "Please use Mario for your idea." The test version already had actual, playable characters-

Mr. Mivergoto liked our same, and we were very hance about that.

(I) NP: How did you came up noth the new character, HT: I think tennis has a bigger emphasis on cornperition. But we couldn't find anyone who played the had goz, "heel" sole in the Mano weeld. We discussed coverage a new character allower would like to bear.

and our development ream come un such Walszei. ST: Since treats has a lone hastory in video exents. we felt that people may have a need and crandard view of it. But Murio Touris has new features in play control, and its sense of action is also new We develgan for our department. I suggested a new character,

and the design form come up with Waltriet, I was concented about how Nintendo would feel about this new character, but Mr. Mivamoto loved Welsigh.

NP: Many Trend also features Dance, a character take

ST: We wanted to have a similar partner for Isigo, like how Marto and Princess Peach have one another. We asked Nintendo, and Nintendo suggested Desy. HT: We asked Ninstendo about aighirends for Wario

and Waltani, too, but Mr. Misamoto said that he didn't even went to see their gulfrunds. (Luaghs) STI (Lauching) it is easy to imposine what type of olds they are. We acreally had an idea for players

choosing partners for a mixed doubles game Bur., um , we'd rather not see what Wario's guilfriend would look like. (Laugha) But it would be fun if we could come up with partners for the characters to have relationahips with. For example, someone for Bowser or Boo.

Succeed thanks to The 64 Dresse suspenses for help with this interview ®

While the Kingdom of Polatinas sinks into choos. just one nebellious counting seeks to neverse the tide of doom.

Lordy Caliber will take the stage this September to the anolysis of legions of RPG and strategy game fans. They'll discover a specifing world with twaming plots, hundreds of characters and a sceningly endless series of ractical choices. For gamers who flu to manipulate units and conquer territory, Ogre Bastle 64 has no equal Ogre Battle 64 grips you like a good novel, and it challenges you in ways that no other N64 game can Nintendo Power offers strategies that will get you off to a good start, but the game is fee too vest to cover in

one arricle Resides, there isn't one correct way to received through this mesterpace from Atlas and Quest. In the end, you slone must face the ogres of the netherworld and bring peace to the lead.

Building a Better Oake cultised and powerful units and commanding them in a vast campaign with these storylenes

The Super NES version of Orce Battle built a cultible following of comers based on its depth of play. There were so many endings that no one was really suce how many ways you could play the came. Occa Barrie 64 as the same aper of heast. Players will be able to tweak every character, creating spe-

Matters of Character Oure Battle 64 characters can be beroic warriors that you

control, people you meet in the same, or magical creatures that may be friends or foes. Characters that enter combut are mored in categories such as HP, Agelity and Strength. A character's rank egorics will grow with esperience givined in

Show Some Class As characters grow, they will become eligible to charge their class. A male human Fighter, for instance, can

WHAT DO I DO AFTER REACHING THE ALTAR O

Activating the Alear is the first major objective in Temple A. but it isn't clear what you need to do once you find it Just seared in force of it and poors Up on the Capetal Paul in use a cut seems that well fill you in on more of the story When the cut seems as finished, earl the room using a sessioner to the left of the altaz. Keep moving left and climbing up until was fired a rock wall. Destroy the wall with Demarake them. move left until you reach the crutabling floor. Activate the nearby awach then climb up an concrepping to gold some Dynamite. Hop over the spike pit then blow up the sames covering the hole over a set of hundholds. Go down and right than move up two sets of handholds. Keep moving right until you reach a hole-the con to Temple B.

HOW DO I AVOID SPIKES IN TEMPLE B

You'll make a soft landout when you array in Temple B. but don't expect race pools of water at the bettom of the level's other pits. Instead, you/E often find nasty arreys of sharpened unikes left there by separate-grinded Assers. One of the transbest challenges in the level appears right unto a lethal landing and. Avoiding performing demands much fineres and perfect siming. As you move down the slide, wa'r until you are about there-guarters of the way to the bottom then his Up on the Control Pad while bolders down the B Burner. If you time the turns ereexcels you'll load on a narrow placform with a Large Medievek, life the Un/8 combination nasin to lear to the handholds then quickly has the B Button again to Save Post before you try the more wer. hand on, If you slip up, it'll be Lars-on-a-stick.
